SUMMER WINE SPECIALS

House Mixed Dozens:

White Wines

Beresford Highwood Sauvignon Blanc 2008 – Brilliant pale straw with green hue with fresh tropical fruits with herbaceous overtones finishing with a fresh, crisp acid.

Rex Watson Unwooded Chardonnay 2008 – A stylish, fresh, delicate Chardonnay with a distinct aromatic tropical nose. The palate shows wonderful peach and citrus flavours that are integrated with a long fine crisp finish

Houghton Wisdom Riesling 2008 – Displays citrus flower, green apple and a touch of orange zest leading to a palate that is gracefully balanced by a combination of crispness and a soft mineral lingering aftertaste.

Red Wines

Chapel Hill il Vescovo Sangiovese 2006– Exhibits aromas of dark cherries, bay leaf and pancetta while the palate is alive with flavours of sun dried tomatoes, prunes balanced by chalky tannins and a lingering savoury finish.

Rex Watson Cabernet Sauvignon 2007 – This full bodied Coonawarra Cabernet has excellent balance from French and American oak with intense cassis flavours and hints of liquorice, chocolate and tannins to bring a beautiful silky soft finish.

Yarra Burn Shiraz Viognier 2006 – Aromas of bright fresh, primary fruit, inky blueberry and ripe raspberry, with white pepper and cinnamon spice. With a silky, plush, velvety palate, this wine shows lovely ripe, even tannin structure. With good density and fruit weight, plus excellent persistence of flavour, the wine also opens up nicely with decanting.
